

The Total Enterprise IT Solution and Service Provider

DCS, founded in December 1986, is a member of Premier Technology Public Company Limited (PT) under Premier Group of Companies. DCS has continuously equipped itself with leading IT solutions and services with the strong intention to position itself as a Total Enterprise Solution and Service Provider. DCS serves over 1,000 customers in various industries with a broad spectrum of solutions and after-sales services. Our achievements and recognition as business partner of the world's leading IT vendors are clearly demonstrated by a large number of awards.
